## SOLO TITLE INFORMATION

### MISS DANCE, MR. DANCE & MISS TEEN

The highlight of the MDDT California dance team competition is the crowning of our “solo title” championship winners. State Champions are selected following a vigorous competition in three elements: dance routine, spotlight skills, and a question from the judges. Our solo title competition is the *only* dance competition patented by the U.S. Library of Congress as the official dance team solo competition in the United States of America!

Unlike our other solo dance categories, the Top 10 placings in each solo title division are **OBLIGATED & REQUIRED** to represent the State of California as a soloist at MDDT U.S. NATIONALS: America's FIRST & MOST PRESTIGIOUS national dance team competition since 1967 (where *ALL* other dance competitions began). Please make sure coaches/directors & solo title contestants are fully prepared to abide by this requirement! Otherwise any California state titles won shall be forfeited and awarded to the next runner-up. **THERE ARE NO EXCEPTIONS!**

Dancers who cannot fulfill this commitment in regards to the solo title division are still encouraged to participate in MDDT California as a soloist in our other dance solo divisions which do not require this obligation (i.e. Grade Level Solo & Improv Solo). Dancers may enter as many solo divisions as they wish... There is something for all dancers at every ability level!

### CONTESTANT ELIGIBILITY & SPECIAL EVENTS

Each team may register up to (5) contestants per solo title category: Miss Dance, Miss Teen & Mr. Dance. Contestants must be a registered student at the school they are representing. For the Miss Dance & Mr. Dance divisions, age on January 27, 2023 shall be between 16-19 years old. For the Miss Teen division, dancer's age shall be between 13-15 years old on January 27, 2023.

All solo title contestants are required to participate in an orientation luncheon and opening number rehearsal to be held at the competition venue on Friday, January 27, 2023. More information to be shared as the event approaches!

### RULES & REGULATIONS **NEW!**

#### Dance Routine (70% of Total Score)

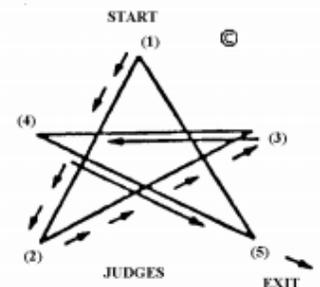

Contestant must display talent in a dance routine (90 secs - 2 min) using any dance performance genre. Soloists are adjudicated on routine construction, technical execution & performance showmanship. Dancer may wear any style of costume they wish, in good taste and family-friendly appropriateness.

#### Spotlight (15% of Total Score) \*[CLICK FOR VIDEO EXAMPLES](#)\*

This is the dancer's opportunity to demonstrate areas of skill that may or may not already be incorporated in their dance routine. However, contestants **ARE NOT ALLOWED** to incorporate entire phrases of choreography from their dance routine during their Spotlight skills element (please contact us if clarification is needed).

Dancers are to demonstrate five dance movement specialties and/or areas of strength that they wish to "spotlight" for our panel of judges. Contestant must perform the following patented compulsory format exactly as depicted in the diagram (to avoid penalty). Total timing must not exceed 45 seconds (to avoid penalty). Spotlight is not performed to music. This element is scored on content presentation and execution of the following:

- Position #1: SKILL/POSE (pause), then WALK 8 Steps to...
- Position #2: SKILL/POSE (pause), then WALK 8 Steps to...
- Position #3: SKILL/POSE (pause), then WALK 8 Steps to...
- Position #4: SKILL/POSE (pause), then WALK 8 Steps to...
- Position #5: SKILL/POSE (pause), and then Exit.

Walking *naturally* is permitted from position-to-position (NO strutting, jazz walks, runs, marching, dancing, or walking on toes).

**Dress Code Requirement for Spotlight:** All black form-fitting dance attire of your choice (No accent colors or rhinestones allowed; Lace & Cutouts are acceptable). Tops can be any style, but low-cleavage is not allowed. Lower body garments must cover legs at least past the knee (i.e. leggings, tights, pants, etc). Footwear can be any style/any color of non-marking dance shoe, or dancers can perform this element barefoot if desired.

#### Judges Question (15% of Total Score)

Contestant is judged on their response to a single question from the judges related to the dance team industry. Scoring is based on confidence, projection, poise, diction and enthusiasm (NO notes or props allowed). Contestants must wear their spotlight outfit in the preliminary round; during Finals, contestants are to wear semi-formal or formal attire of their choice that best embodies

### SOLO TITLE FINALS & CROWNING **NEW!**

A final round will be held for solo title divisions that have at least 15 contestants (but there is no longer a final round for the Miss Teen division; all preliminary scores will count towards the total score). During finals for Miss Dance & Mr. Dance divisions, preliminary scores are wiped and the top (10) finalists re-compete in the dance routine category (after which the two lowest scoring competitors are eliminated). Next, the remaining (8) contestants re-compete in the Spotlight category (after which the three lowest scoring competitors are eliminated). Finally, the remaining (5) finalists re-compete in the Judges Question category (with a new question from the head judge). Scores are then tabulated, and the MDDT California “solo title” state champions are announced! The winner in each division receives a crown, with all five finalists in each solo title division receiving a sash, flowers, & other prizes!

**ENTRY DEADLINE: JANUARY 9, 2023**

**VIDEO RECORDING POLICY**

Still-shot photography and video recording are allowed (You may only record your own team or soloist). This policy helps protect the choreographic originality & integrity of each routine. And it also helps to ensure that California solo title contestants' dance routines are not leaked on the internet prior to U.S. Nationals. Please advise team members, spectators, and family members of this rule. Your team or soloist may lose points or be disqualified if caught filming routines that are not your own.
